Today, Van Holten's is turning pickles into one of America's most popular single serving snacks. Van Holten's invented the pickle-in-a-pouch, a masterful merchandising innovation that turned pickles into a popular, convenient food for people on the run. The Pickle-in-a-pouch is the perfect snack because the individually packed pickles are crisp, crunchy, delicious and fat free.

### Character Line Flavors Include:

Big Papa (Hearty Dill)	043158
Hot Mama (Spicy Hot)	043166
Little Pepe (Pepino Picante)	043133
Garlic Gus (Zesty Garlic)	043141
Hot & Spicy	043174
Sour Tart & Tangy	043182

All flavors come in 12/ct. cases.

Van Holten's Pickle-In-A-Pouch are the perfect snack on the run. With five flavors and four sizes - including our characters, there is always a pickle to meet everyone's taste. Our pickles require no refrigeration, have a two year shelf life and are a convenient fat free snack.
